Interests

Societies

- Member of Kent University Investment Society for 4 years
- I like investing virtual money through the app "Trading 212", I started with a base of 10,000 last year and reached 22,000 virtual euros last summer, thanks to my intuition and the research I carried out when trading.

Sports

- Kent Equestrian Club Treasurer and Team Member
- Responsible for the finances of the club and developed my own excel spreadsheet to keep track of inflows and outflows
- Awarded with the Sport Scholarship for the 4th year in a row, thanks to my commitment, my abilities as horse rider and my achievements, both academic and sport related
- I did professional sailing for 4 years and participated in many races, also in team races, with good results

Music

- Grade 7 classical guitar, I reached the 7th year of studies at the Conservatory of Music
- Grade 8 electric guitar, I used to play in three rock bands in my city. I won with two of them an annual event called "Art Day" in my high school
